

Detroit, Michigan Water Utility Burden

Water bill / household income; weighted median by ConsPUMA, 2016–2021

Bars are weighted medians; labels show percentages and sampled-household counts. CPUMA refers to Consistent Public Use Microdata Area, a harmonized Census geography used to compare areas across years. Mappable Detroit/Wayne CPUMA geography is available for 2016–2021. Sources: IPUMS CPS microdata; official IPUMS ConsPUMA crosswalk.
